PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 296C3 to
Cameron, Louisiana as that community's first local FM
service. Cameron is a Census Designated Place (CDP) in
Cameron Parish, Louisiana with a population of 1,965
people.¹ Public education is provided for by the Cameron
elementary school, located at 510 Marshall St., Cameron and
the Johnson Bayou High School located at 6304 Gulf Beach
Highway, Cameron. The Cameron post office and Cameron
Parish fire department are both located on Marshall St. in

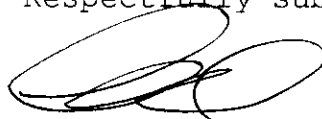

¹ U.S. Census 2000

Cameron. The civil authority is provided by the Cameron Police Jury which is both a legislative and administrative body. Its legislative functions include enacting ordinances and resolutions, establishing programs, and determining policy. A number of churches are also located in Cameron such as the First Baptist Church, Our Lady of Assumption, Sacred Heart CYO and Wakefield Methodist Church. Medical services are provided by the South Cameron Memorial Hospital located at 5360 West Creole Highway, Cameron. The proposed channel 296C3 will provide additional diversity and an outlet for local self-expression to Cameron residents and therefore is in the public interest.

Should this petition be granted and Channel 296C3 is allotted to Cameron, Louisiana, Petitioner will apply for Channel 296C3 at Cameron and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.
